

6 ESSENTIALS

NewLife™ 6 Essentials Pack is designed to address the most common nutritional deficiencies - fibre, potassium, essential fatty acids, plant nutrients, and friendly bacteria. These nutrients are essential for maintaining optimum health and vitality, and the addition of Liverin provides a combination of herbs that help to improve the health of the liver.

Recommended to consume with Honegar, the products that comprise the 6 Essentials Pack are: Apple Cider Vinegar, Pure Raw Honey, Herbal Klenz Powder, K-Salt, Omega Gold Flax Seed Oil, Super Green Food++, ImmuFlora, and Liverin.
