

MORLIFE HERBAL TEA

NewLife™ MorLife Herbal Tea is specifically formulated by professionals ensuring that the perfect blend of herbs have been selected to synergistically work together to provide nutrients for a functional benefit.

All teas are 100 percent natural with no artificial colouring, flavours, preservatives or additives. This herbal blend of Dandelion Roots, Echinacea, Red Clover, Siberian Ginseng, Taheebo and Pau de Arco assists in blood cleansing, improves energy levels, cleanses the liver and enhances the body's defenses against diseases.

BENEFITS

- Flushes out toxins from the liver
- Cleanses the blood stream
- Counteracts fatigue and increases energy
- Improves the immune system
- Prevents stomach and intestinal ulcers
- Protects the body from the effects of high cholesterol and free radicals
- Contains antibiotic and anti-inflammatory properties

KEY FEATURES

- NewLife™ MorLife Herbal Tea is a product of New Zealand. Besides being a powerful detox tea, it also contains herbs that constitute Calcium, Biotin, Choline, Inulin, Phosphorus, Magnesium, Potassium, Iron, Zinc, Vitamin A, Niacin and other B vitamins.
- Siberian Ginseng is used as one of the main ingredients. Its medicinal properties are renowned for improving blood circulation, relieving digestive irritations and increasing mental performance.
- It is naturally sweetened by liquorice and is free from caffeine and sugar; suitable for diabetics and ideal for daily detoxification.
