

## VITATEA

A natural elixir for better health and vitality, VitaTea is the latest product here at NewLife™ International.

VitaTea is an immune-boosting and anti-inflammatory tea. It is one of the healthiest beverages that you can enjoy!

VitaTea has a refreshing, uplifting lemongrass scent, a sweet aftertaste from the licorice and a hint of spice from the turmeric. It is a delicious (and healthy), sugar-free, caffeine-free tea that can be enjoyed anytime during the day—a great alternative to your daily sugar or caffeinated drinks!
