

ZINGER HERBAL TEA

NewLife™ Zinger Herbal Tea contains five herbs (Chamomile, Licorice, Rosehips, Siberian Ginseng, and Spearmint) that have been formulated to provide a natural tonic to help combat fatigue, increase energy levels and improve the overall strength of the body's immune system. NewLife™ Zinger Herbal Tea is flavourful, calorie and fat-free and contains no sugar or artificial flavouring.

This proprietary blend is high in vitamins and minerals that work in synergy with the tea's antioxidant and anti-inflammatory properties to build up the immune system's resistance against infection and disease.

BENEFITS

- Relieves fatigue caused from stress and anxiety
- Encourages regeneration of liver tissues
- Supports adrenal glands
- Contains elements of natural Vitamin C
- Prevents stomach and intestinal disorders
- Promotes blood circulation
- Subdues cramps and eases gas
- A beneficial beverage in times of cough and cold
- Contains antioxidant and anti-inflammatory properties

KEY FEATURES

NewLife™ Zinger Herbal Tea is produced in New Zealand with carefully selected herbs. It is free from caffeine and sugar. It is naturally sweetened by licorice, which leaves a very pleasant aftertaste; suitable for diabetics and ideal as a beverage in homes, offices and social functions.
