APPLE CIDER VINEGAR

Natural, undistilled organic Apple Cider Vinegar (ACV) can really be called one of Mother Nature's most perfect foods. Hippocrates (the father of medicine) treated his patients with natural, undistilled ACV that he discovered as a powerful cleansing and healing elixir. Widely used today as a daily health tonic, it offers an all-natural way to cleanse and nourish the body, making it an indispensable ingredient in promoting youthfulness and good health.

Not all ACV are the same. Only genuine, natural ACV will contain powerful health giving nutrients and provide satisfying results. Genuine, natural ACV should appear 'cloudy'. Distilled or pasteurised cider vinegar no longer contains the powerful enzymes and natural malic acid beneficial for health. Good quality Apple Cider Vinegar will develop 'Mother of Vinegar' over time.

BENEFITS

Apple Cider Vinegar has been known to:

- Help sinus infections, cough, sore throats, and mucous conditions
- Improve cholesterol and blood pressure
- Improve skin conditions
- Help weight management and hormonal balance
- Aid digestion and protect against food poisoning
- Benefit the heart and help arthritic conditions
- Strengthen the immune system
- Increase stamina and prevent muscle fatigue after exercise
- Promote restful sleep when combined with natural raw honey
- Prevent premature ageing
- Have an alkaline-forming ability that corrects excess acidity in the body

KEY FEATURES

- NewLife™ Apple Cider Vinegar is a product of New Zealand.
- 100% pure, natural and organically certified.
- Brewed from nutritious, organically grown apples on the producer's family's own organic orchard.
- Rich in potassium, calcium, magnesium, iron, malic acid, acetic acid, pectin, and many other vital vitamins, minerals and enzymes.
- Non-distilled and unpasteurised. It retains the essential "Mother of Vinegar" culture and all its healthful properties.

BEE POLLEN GRANULES

Bee Pollen is now recognised by scientists throughout the world as a rejuvenating food that can help promote youthfulness, build resistance to ailments, help boost recovery and provide dynamic energy. It is a natural supplement that helps to strengthen the immune system, counteract toxins, nourish the body, and maintain good health and vitality. It contains more than 25% complete protein with over 18 amino acids. Bee Pollen is also rich in vitamins, minerals, enzymes, co-enzymes, essential fatty acids, antioxidants and more.

BENEFITS

- Strengthens the immune system
- Improves prostate health
- Improves digestion and intestinal health
- Prevents premature ageing
- Stimulates glandular functions and promotes youthful vitality and longevity
- Provides antioxidants
- Boosts energy levels, ideal for sportsmen and athletes

KEY FEATURES

- Nature's Gift Bee Pollen Granules from NewLife™ is farmed from the pesticide free and pollution free area of New Zealand.
- 100% pure, natural and unprocessed original granules as produced by the bees.
- Contains no additives whatsoever.
- Colour and texture may vary from season to season.
- Certified pesticides and chemical free.

CHOLESTINON

Nature's Gift Cholestinon from NewLife™ is a dietary supplement designed to help control cholesterol levels safely and naturally. Cholestinon is an all-natural form of red yeast rice prepared using a proprietary process to guarantee quality and consistency without the use of additives, preservatives or foreign ingredients.

Red yeast rice has long been used in China and Japan as a remedy for digestive ailments and poor circulation. More recently, red yeast rice has been found to reduce overall blood cholesterol levels and to improve the ratio of HDL ("good cholesterol") to LDL ("bad cholesterol"). A study conducted by the University of California – Los Angeles, School of Medicine found that people who took red yeast rice and maintained a low-fat diet reduced their overall cholesterol levels by an average of 40 points over a period of twelve weeks.

BENEFITS

Various clinical trials have revealed the amazing effects of supplementation with red yeast rice:

- Lowers cholesterol
- Soothes indigestion
- Enhances blood circulation
- Reduces risk of heart attack

KEY FEATURES

- Clinical trials have confirmed its safety and efficacy for daily and long-term use.
- Each capsule contains several bioactive ingredients that work synergistically to maintain a healthy cholesterol level for a healthier life.
- Vegetable capsules, suitable for vegetarians.

COLLASTA

Collasta helps turn back the clock! Collasta is an anti-ageing complex, engineered for optimum health and beauty. It contains hydrolyzed marine collagen that provides skin its strength and elasticity, reduces inflammation, body pains and joint discomfort.

The restorative power of Collasta is further enhanced with a blend of age-defying super antioxidants, including astaxanthin, grape seed, green tea, pine bark, lycopene and mangosteen extract, as well as a prebiotic (Fructo-oligosaccharide). This proprietary formula fights all signs of ageing. The hydrolyzed marine collagen and antioxidants work together to combat what may be one of the main causes of most chronic diseases – free-radical damage.

BENEFITS

- Firmer, clearer skin with improved tone and moisture retention
- Improved tissue regeneration, wound healing and injury recovery
- Healthy hair and nails
- Healthier immune system
- Reduced risk of heart attack and stroke
- Enhanced physical endurance, energy and vitality
- Stronger joints and connective tissues
- Improved eye and brain health
- Prevention of muscular degeneration and blindness due to ageing

KEY FEATURES

NewLife™ Collasta:

- Contains stevia, fructose and fructo-oligo-saccharide (a soluble fibre and pro-biotic blend) as natural sweeteners, instead of the commonly used aspartame.
- Is free from all artificial additives and chemicals. It comes in an easy-mix powder form, instead of being packed in liquid form, that contains benzoic acid – a carcinogenic preservative.
- Is boosted with Vitamin C, Vitamin E and Vitamin B Complex.
- Is power packed with collagen and super antioxidant blend:
 - **Astaxanthin**, extracted from red algae (*Haematococcus pluvialis*), possesses an antioxidant capacity 40 times stronger than beta-carotene and 550 times stronger than Vitamin E.
 - **Grape seed extract** possesses excellent anti-inflammatory, anti-allergic, anti-cancerous and anti-microbial properties.
 - **Green tea extract** contains bioactive antioxidant compounds that are easily absorbed and highly effective at inhibiting lipid peroxidation and free radical damage.

COLLASTA

- **Pycnogenol**, a pine bark extract - is effective in lowering blood pressure and improving glycaemic control.
- **Lycopene** may protect us from certain disorders such as cancer and coronary heart disease.
- **Mangosteen** is rich in phytonutrients that support multiple systems of the body.

TESTIMONIES

"Before I started supplementing with NewLife™ Collasta, I've received lots of comments that my skin looked dry, dull and haggard. After 2 weeks of consuming Collasta daily, I noticed significant changes to my face. I look more radiant and the skin around my eyes is firmer. Even my husband noticed the difference in my skin. It's really amazing!"

See Li Yung · Selangor, Malaysia

"Before this, my skin was exposed to the weather because I travel a lot. This caused my skin to look dull and tired. After a month consuming Collasta, I noticed the texture of my skin improving and getting firmer especially in the areas around my eyes. My skin is now clearer and not as dry as before. Obvious wrinkles are now less visible and my joint pains have totally disappeared. In addition to all these remarkable changes, my vision is clearer. I can now read and drive without having to wear my glasses."

Umi Kalsom Abd. Rahim · Kuala Lumpur, Malaysia

"Last year, through my wife Sarah, I began drinking Collasta every night. I liked the taste as well as the cooling sensation it left and I looked forward to drinking it. A month later, I was out and I realized that I have forgotten to bring my spectacles. I realized then that the things I saw which were usually blurry, had now appeared clearer. I could read the road names from a distance as well as the bus number without straining my eyes."

Bernard Lim · Singapore

"My mom started taking Collasta in April 2011, starting with 2 packets a day for 15 days followed by a packet a day. I was surprised that after 3 days, the pain lessened and a week later, she could walk up the staircase without help. She felt improvement everyday and at the end of 2 weeks the pain was gone."

Rina Chee · Kuala Lumpur

COLOSTRUM X

Colostrum is the pre-milk fluid secreted by mammalian mothers in the first days after giving birth. It contains essential nutrients, growth factors and immune factors that help to protect newborns against infection. Taken as a daily supplement, ColostrumX can boost the immune system and help the body to burn fat and build lean muscle. It may also accelerate the recovery of injuries, increase vitality and stamina, and have an anti-ageing effect.

BENEFITS

NewLife™ Colostrum X

IMMUFLORA

Friendly bacteria play an important role in the defense of the gut, where they are needed to control other less friendly bacteria and disease producing yeast and pathogens. They are also needed to help in the digestion of food, manufacturing of essential vitamins and in preventing cancer-causing chemicals from forming. A lack of friendly bacteria in the gastro-intestines may result in gas, bloating, intestinal and systemic toxicity, constipation, diarrhoea, overgrowth of candida, malabsorption of nutrients, irritable bowel syndrome, allergies and liver problems, etc.

Unfortunately, friendly bacteria are destroyed by stress, poor diets, antibiotics, the absence of bacteria food, as well as other factors.

In order to keep our bodies healthy and immunity strong, it is essential that we supplement our diet with large numbers of the major friendly bacteria of the gastro-intestinal tract, i.e., Lactobacillus Acidophilus and Bifidobacteria, together with the prebiotic Fructo-Oligosaccharides.

BENEFITS

- Creates a healthy intestinal environment and prevents growth of parasites and harmful bacteria
- Promotes healthy liver and improves the immune system
- Improves digestion and nutrient absorption
- Detoxifies and strengthens the intestinal tract
- Promotes normal bowel movement
- Prevents turista and combats food poisoning and diarrhoea

KEY FEATURES

A product of Japan, NewLife™ Immuflora:

- Contains 10 billion viable cells of Bifidobacterium Longum, 1 billion Lactobacillus Acidophilus and 200mg Fructo-Oligosaccharides, a bacteria food that is crucial in enhancing and protecting the friendly organisms in the gastrointestinal tract.
- Is created with breakthrough technology to withstand stomach acid and emerge intact in the intestines.

K-SALT

The importance of potassium to the tissues is as calcium is to the bones. Potassium is the mineral of youthfulness and it keeps the arteries soft and flexible. Many exhibit signs of premature ageing due to potassium deficiency. Potassium is indispensable in tissue/protein synthesis and enzymatic processes. Potassium deficiency usually leads to metabolic disturbances, edema (water retention), copious phlegm, high blood pressure and many other degenerative & chronic diseases. Potassium deficiency can also stunt growth and cause mental retardation and senility.

Due to the consumption of common salt (sodium) in our normal diet which results in a depletion of potassium, almost everyone is deficient in potassium. To reconstruct healthy cells and tissues, potassium must be restored to the body's systems.

Nature's Gift K-Salt from NewLife™ is a special potassium formula developed by Dr. Max Gerson (MD) who was widely known for his cancer therapy. Dr. Max Gerson had performed more than 300 experiments before finding the right potassium combination in K-Salt. It is specially formulated to effectively restore potassium to the body.

KELP

Hair loss & greying, goitre, hormonal imbalance, fibrocystic breast & ovaries, abnormal metabolic rates and difficulty in weight loss/gain are all common symptoms of thyroid disorders. MANUKA HONEY

Manuka Honey has antibacterial and antifungal properties; valued for its healing and medicinal properties, it is widely used today as an alternative to antibiotics. Manuka Honey is documented in medical research in New Zealand to be effective in preventing Helicobacter Pylori bacteria, which is known to cause gastritis, stomach ulcers and stomach cancer.

Manuka Honey can be used orally or topically; its essential factors stimulate production of special cells that repair tissues damaged by infection. The anti-inflammatory action derived from this has been shown to be effective in reducing pain and inflammation.

INGREDIENTS

Raw Manuka honey

BENEFITS

Manuka Honey is used for a variety of common ailments and disorders such as:

- Used to combat indigestion and stomach disorders
- Relieves Helicobacter Pylori infection
- Prevents stomach ulcers and gastritis
- Assists in reducing high cholesterol
- Controls systemic inflammation
- Widely used in preventing diabetes

KEY FEATURES

- NewLife™ Manuka Honey is produced in a family farm in New Zealand.
- No heat or chemicals are used in the process of the extraction of the honey.
- 100% free from additives, pesticides and other chemicals.
- Unpasteurised, unprocessed, raw and maintains its high UMF value and natural properties.

N.ZIMES PA PLUS

Raw foods are naturally rich in live enzymes, making them easily digested by the body. Enzymes are destroyed by any form of cooking. Foods that are void of live enzymes burden the digestive system, causing it to take from the body's own enzyme stores - which are needed for other bodily functions. Enzyme deficiency causes poor digestion, flatulence, acid reflux, allergies like skin problems, asthma, sinusitis, nutritional deficiency, autoimmune problems, attention deficient syndrome and a weakened immune system.

For a century, doctors have successfully used pancreatic enzymes to treat patients with a wide variety of diseases such as inflammatory conditions, rheumatic disorders, allergies, soft tissue trauma, viral infections, arthritis, multiple sclerosis, cancer and autoimmune diseases including AIDS.

NewLife™ n.zimes PA Plus is a proprietary blend which is the result of decades of research and development. It is composed of a comprehensive blend of microbial enzymes specially formulated to support the entire digestive system.

| BENEFITS

- Improves digestion and assimilation
- Reduces bloating and gas
- May reduce the symptoms of lactose intolerance
- Strengthens the immune system
- Relieves food allergies
- Prevents skin problems such as acne and eczema

| KEY FEATURES

1. A product of USA, NewLife™ n.zimes PA Plus is plant based, suitable for vegetarians and guaranteed GMO free.
2. n.zimes PA Plus contains microbial enzymes that are active in the pH range of 2.5 to 10.0. Thus, they are active in both the acidic environment of the stomach and the alkaline environment of the small intestines. This means that unlike supplemented enzymes of animal origin, n.zimes PA Plus starts to work on the food in the upper stomach the moment the food is swallowed and continues the process as the food enters the small intestine, ensuring complete digestion of the food. Without the supplement of n.zimes PA Plus, food sits in the upper part of the stomach for as long as an hour before gastric secretions begin their action.

N.ZIMES PA PLUS

3. It contains enzymes that are a pancreatic alternative, together with other broad spectrum enzymes:

- **Proteolytic enzymes** which help to break down proteins.
- **Carbohydrolytic enzymes** which help to digest various forms of carbohydrates, like maltose, sucrose, glucose, fructose, complex sugars found in vegetables, grains as well as legumes.
- **Lactase** which helps to digest lactose found in dairy products.
- **Lipase** which helps to break down oils and fats.
- **Fiber-hydrolyzing enzymes** that help to break down the fibrous cell walls present in grains, fruits and vegetables.

4. n.zimes PA Plus supplementation is systemic. This means when it is not used for digestion (especially when taken on empty stomach), it is stored in the body as enzyme reserves for other bodily functions that strengthen the body.

What users say about using n.zimes PA Plus:

I was on holiday for 4 days, eating all the time and yet didn't put on any weight. It's n.zimes PA Plus that helped to make the difference – **Patricia Choong of KL**

It's just fabulous. It provides relief from being bloated – **Celeste of Australia**

This product makes it so easy to move my bowels – **Jeanne Lim of KL**

I thought I had no digestion problems until I took n.zimes PA Plus after having a late dinner, supper or when I over ate. It's a great digestive aid – **Stanley Chong of KL**

We find n.zimes PA Plus to be such a fantastic product. Our 15-year old had skin problem (similar to eczema) on his leg behind the right knee. He often had flare-ups, especially during the night. The itch was so unbearable that he would scratch until the affected part bled. He had been on a healthy diet and we could not identify the food to which he was allergic. So we started to give him n.zimes PA Plus after meals (whenever we remembered). His skin problem subsides! Our 15-year old son says that n.zimes PA Plus is his "life saver". In fact, all our family members love this product – **HC of Sabah**

It is a concentrated source of vitamins, minerals, amino acids, enzymes, chlorophyll, and contains herbal extracts that offer a variety of health benefits. In addition, SGF++ contains a super-antioxidant blend which consists of mangosteen extract, maqui berry and other powerful antioxidants. These antioxidants counter the effects of free radical damage and can help to prevent or slow the effects of pre-mature ageing. The nutrients in SGF++ offer a complete nutritional package that help to prevent nutritional deficiency caused by a diet lacking in raw fruits and vegetables.

| BENEFITS

- Provides high antioxidant activity
- Increases energy
- Improves mental acuity
- Strengthens the immune system
- Gently cleanses the colon
- Restores a healthy pH balance to the body
- Anti-ageing
- Promotes liver health

| KEY FEATURES

- NewLife™ Super Green Food ++ is an all-round nutritional supplement that is recommended for all ages and health conditions.
- It can be taken mixed in water, juice, or Apple Cider Vinegar with Pure Raw Honey.

DETOXIFICATION & REJUVENATION PROGRAMME (DRP)

Datin Dr Lynn Tan's Detoxification & Rejuvenation Programme (DRP), a result of years of research and experience, is a complete programme combining both ancient and current methods of natural internal cleansing and rebuilding of the body.

The DRP is based upon two key principles of natural healing:

1. Our body is so wonderfully made by God, that it is self-healing, self-repairing, and self-rejuvenating.
2. The root causes of disease are toxemia and nutritional deficiencies.

Therapeutic in nature and design, the DRP is aimed at helping the body to get rid of poisons and to restore nutritional, hormonal and metabolic balance in the body. Once the body is free of poisons and the proper chemical balance is restored, it is then in a position to heal itself.

The products that comprise the DRP are: Herbal Klenz Powder, Enema Coffee, Enema Bucket/Bag Set, K-Salt, Omega Gold Flax Seed Oil, Super Green Food++, ImmuFlora, Spirulina, Liverin, Apple Cider Vinegar, Pure Raw Honey, Bee Pollen Granules, Extra Virgin Coconut Oil, MorLife Herbal Tea, Hand, Face & Body Scrub, Hydrogen Peroxide (H₂O₂) and Detox & Rejuvenation booklet.

LIVERIN

The liver performs more than 500 functions – it is one of the body's key detoxifying organs and an integral part of the immune system. With the billions of activities and functions going on in the liver, it can be hard to spot any malfunctions that aren't major enough to be chronic issues. Common symptoms of poor liver health may include: headaches, fatigue, hormonal imbalance, constipation, aches and pains, skin conditions, and allergies. These symptoms could be a sign of having a “sluggish liver”, which could go by undetected in liver enzyme tests.

Liver health is of utmost importance to the health of the entire body, and must not be ignored. Many natural herbs possess properties that are able to protect and enhance liver function. These herbs are also able to rebuild liver cells and stimulate the elimination of bile from the liver. Clearing bile from the liver helps to decongest the organ, which is not only important to the health of the liver, but also to the well being of the whole body.

INGREDIENTS

A proprietary blend to NewLife™, Liverin is an ideal combination of herbs - Milk Thistle Extract (with 80% Silymarin - a potent antioxidant), Dandelion, Artichoke Extract, Burdock, and Celery Extract. It is specifically designed to help protect and support the body's detoxification organs, particularly the liver and kidneys.

BENEFITS

- Rebuilds liver cells and removes toxins.
- Powerful anti-oxidant and anti-inflammatory effects.
- Repairs liver damage caused by medication, excessive alcohol consumption, as well as the effects of pollutants found in the environment.
- Stimulates the liver to increase bile flow, which carries away waste and breaks down fats during digestion.

KEY FEATURES

- Liverin contains a proprietary blend of herbs at the right potencies, which work synergistically to combat free radicals and oxidative stress, thus preventing the onset of many degenerative and age-related disease.
- Produced using vegecaps and is suitable for vegans.
- Contains no synthetic ingredients, no animal ingredients, and is all-natural and chemical-free.

DR. BRUSCH'S ESSIAC-T

Combining 8 powerful herbs, including Sheep Sorrel and Burdock Root which are known to assist in destroying cancer cells, Dr. Bruschi's Essiac-T is a tried and tested herbal remedy. It provides full-body detoxification, removes heavy metals, restores energy levels and rebuilds the immune system. It improves health by relieving the root cause of many diseases – weakened digestive and immune systems – making it an essential supplement for general health and disease prevention.

INGREDIENTS

Red Clover, Sheep Sorrel, Blessed Thistle, Burdock Root, Kelp, Watercress, Rhubarb Root and Slippery Elm Bark.

BENEFITS

- Improves well-being
- Detoxifies the liver and the blood
- Relieves constipation and digestive disorders
- Strengthens the immune system
- Prevents the buildup of excess fatty deposits in artery walls, heart, kidney and liver
- Counteracts the effects of aluminium, lead and mercury poisoning
- Increases the production of red blood cells
- Protects against free radical damage
- Increases the effectiveness of insulin produced in the body
- Assists in destroying parasites throughout the body
- Reduces growth and tumors

KEY FEATURES

A product of USA, this dry herbal tea blend is in powdered form, the exact form used by Dr. Bruschi. All herbs are organically grown and are sourced from the same farms Dr. Bruschi used, specially packed for NewLife™ International.

HERBAL KLENZ POWDER

Due to the modern diet, most people are suffering from some form of constipation. This in turn leads to accumulation of encrustations that is comprised of metabolic wastes, partially digested food, harmful microorganisms and carcinogenic agents, etc causing hosts of health problems to the body. Thus, dietary fibre and regular bowel movement are essential for a healthy body.

Nature's Gift Herbal Klenz Powder from NewLife™ is formulated with a unique blend of detoxifying herbs and dietary fibre that not only effectively regulate bowel movement but also detoxifies and cleanses the gastro-intestines.

BENEFITS

- Prevents constipation and regulates bowel movement
- Removes encrustations from the colon, thus preventing auto-intoxication
- Removes gluey layers covering the villi in the small intestine, thus enhancing the digestion and absorption of nutrients
- Helps in weight maintenance and appetite control
- Regulates blood glucose and cholesterol levels
- Helps remove heavy-metal toxicity and eliminates parasites

KEY FEATURES

- Made in USA, NewLife™ Nature's Gift Herbal Klenz Powder is a complete intestinal cleaning and revitalizing system. Its soluble and insoluble fibres cleanse waste of the colon while stimulating peristalsis movement. The other ingredients like apple pectin, butcher's broom and bentonite work together to cleanse heavy metal toxins, viruses, parasites and prevent digestive disorders.
- NewLife™ Nature's Gift Herbal Klenz Powder is safe and simple to use as a daily routine and offers a variety of health benefits.

KIDS KLENZ

Constipation in children is often due to dehydration, lack of fibre, or the lack of probiotics in the gastrointestinal tract. Nature's Gift Kids Klenz from NewLife™ is a natural plant fibre supplement especially for kids who are 6 years old and above. It is formulated to support healthy bowel movement and promote optimum health. It contains a prebiotic that supports a healthy environment in the gastrointestinal tract. It also enhances the body's immune system. This effective natural fibre formula helps to counteract fibre deficiency in the diets of most children.

BENEFITS

- Promotes bowel movement
- Natural appetite regulator
- Better nutrient absorption
- Prebiotic effect for a healthy digestive system
- Regulates the absorption of sugar into the bloodstream
- Strengthens the immune system and has anti-inflammatory effects

KEY FEATURES

- Contains both soluble and insoluble fibres for maximum efficacy.
- Beneficial for all children, even those who do not suffer from constipation.
- Beneficial for overweight or underweight children.
- Contains apple pectin that helps remove heavy-metal toxins.
- Contains natural healthful sweeteners Oligofructose and Stevia.

PURE CASTOR OIL

Castor oil offers a variety of healing benefits and is a go-to remedy for skin health and total body detoxification. It is mostly used externally, but can also be consumed for therapeutic purposes. The ricinoleic acid found in castor oil prevents the growth of bacteria, yeast and viruses while relieving pain and providing anti-inflammatory effects. When absorbed through the skin, castor oil stimulates lymphatic flow, which detoxifies cells throughout the body. Castor oil packs have shown to be beneficial for a variety of health conditions such as: AIDs, liver problems, joint pain, infections, hemorrhoids and many more.

BENEFITS

- Stimulates the lymphatic system
- Reduces joint pain
- Assists in destroying parasites
- Provides deep cleansing of the body

KEY FEATURES

- A product of Australia, NewLife™ Pure Castor Oil is cold pressed and not solvent extracted.
- It contains 100% pure castor oil.
- Suitable to be taken orally, as enema and as hot pack.

CALCIUM COMPLEX WITH BORON

Research has shown that calcium deficiency increases the risk of osteoporosis and osteoarthritis. Calcium is an essential mineral for bone health and many other bodily functions. NewLife™ Nature's Gift Calcium Complex with Boron is a special blend of Calcium and Boron along with Vitamin A, Vitamin C, Vitamin D, Vitamin B12, Magnesium, Phosphorus, Zinc and Vitamin B6. These ingredients work synergistically to enhance bone strength and provide maximum absorption of calcium to the body.

BENEFITS

- Prevents osteoporosis and osteoarthritis
- Strengthens bones, joints, nails, teeth and gums
- Maintains healthy heart function
- Needed for muscular growth and the prevention of muscle cramps
- Helps keep the skin healthy
- Helpful for insomnia, nervousness, hyperactivity, high blood pressure and high cholesterol

KEY FEATURES

NewLife™ Nature's Gift Calcium Complex with Boron:

- A liquid calcium complex that supplies 10 essential minerals and vitamins combined for building strong, healthy bones.
- Fortified with Boron, an essential element for healthy strong bones.
- Contains chelated forms of minerals, which not only enhance calcium absorption, but also act as chelating agents to remove toxic metals from the body.

CHROMIUM PICOLINATE

Chromium is one of the 16 essential minerals the body needs to keep it healthy and fit. Sufficient amount of chromium ensures the efficiency of the hormone insulin in regulating blood sugar metabolism, fat metabolism, and the conversion of proteins into muscles, and sugar into energy. Chromium helps to maintain lean muscle mass and optimise energy output, while helping to control blood sugar levels, which in turn prevents diabetes.

| BENEFITS

- Keeps blood glucose levels balanced
- Helps to prevent adult-onset diabetes and hypoglycemia by improving glucose tolerance and cell sensitivity to insulin
- Decreases sugar cravings and aids in weight management
- Prevents high cholesterol and cardiovascular disease
- Enhances energy and increases endurance in athletes

| KEY FEATURES

NewLife™ Nature's Gift Chromium Picolinate is a chelated complex of chromium that consists of Biologically Active Chromium (BAC), an organic form which is absorbed significantly better than ordinary dietary chromium.

COQ10 PLUS

CoQ10 is found in every cell throughout the body and especially abundant in the heart muscle. It is essential in the production of energy on the cellular level. After the age of 20, CoQ10 production in the body starts to decline. Other lifestyle factors can cause further depletion. CoQ10 deficiency can cause a lack of vitality and poor health and many heart failure cases are found to be linked with low CoQ10 levels in the heart muscle. Deficiencies of coenzyme Q10 have been linked to periodontal disease, diabetes and muscular dystrophy.

Through extensive research, NewLife™ International has developed an advanced formula of CoQ10 that is combined with flaxseed extract to enhance bioavailability and absorption into the blood stream.

BENEFITS

- Supports heart health
- Increases energy levels
- Maintains healthy blood pressure and cholesterol levels
- Oxygenates cells
- Improves alertness and alleviates tiredness
- Strengthens the immune system
- Helpful in fighting obesity, candidiasis, multiple sclerosis, diabetes, allergies, asthma, respiratory disease, schizophrenia and Alzheimer's disease
- Has been shown to be effective in reducing mortality in experimental animals afflicted with tumours and leukaemia
- Protects the stomach lining and duodenum
- A powerful antioxidant that has anti-ageing effects

KEY FEATURES

- Nature's Gift CoQ10 Plus from NewLife™ comes in veggie caps – ideal for vegetarians.
- It is oil soluble, the same form as found naturally in our body and is the only form that the body would use, unlike water soluble CoQ10, a processed reduced form which is not natural to the body and which the body will not use.
- It is specially blended with essential fatty acids from flax seed concentrate, which provides a special “transport system” to enhance the bioavailability of CoQ10.

NIACIN

Niacin (Vitamin B3) is essential for vibrant health. Symptoms of niacin deficiency include canker sores, dementia, depression, diarrhoea, dizziness, fatigue, halitosis, headaches, indigestion, insomnia, limb pains, loss of appetite, low blood sugar, muscular weakness, skin eruptions and inflammation. Niacin deficiency is also the direct cause of the Pellagra disease.

BENEFITS

- Improves blood circulation
- Promotes healthy skin
- Regulates blood cholesterol levels
- Aids in the functioning of the nervous system and is helpful for schizophrenia and other mental illnesses
- Improves memory
- Helps in various skin conditions such as eczema and psoriasis
- Needed for the synthesis of sex hormones
- Improves digestion and aids in the metabolism of carbohydrates, fats and protein

KEY FEATURES

- A harmless flush may occur after the ingestion of Niacin along with a slight tingling sensation on the skin. This is caused by the increased blood circulation.
- Vitamin B3 in the form of niacinamide does not cause flushing. However, niacinamide does not have all the same properties of niacin. Specifically, it is not effective for lowering blood cholesterol.

Caution: Avoid taking Niacin during menstruation or if bleeding.

VITAMIN B COMPLEX

B vitamins play a vital role in keeping our health on a straight track. Deficiency in B vitamins often produces symptoms of fatigue, irritability, numbness, intestinal irritation, nervousness, depression, paranoia and senility.

Due to excessive processing of food, the supply of B vitamins from food sources has become scarce. Furthermore, stress, insecticide residue, pollutants in the air and water, smoking, alcohol, drugs, laxatives, antibiotics, antidepressants, estrogen (as in HRT), anti-gout, anticoagulant – all these are vitamin robbers and deplete B vitamins from the body. Since B vitamins are water soluble, it is imperative that a sufficient daily supplement is taken.

A good Vitamin B Complex must have all the right amounts of individual B vitamins synergistically combined for optimum benefits.

BENEFITS

- Helps to maintain the health of nerves, skin, eyes, hair, liver, gastro-intestinal tract and brain functions
- Involved in energy production and helps to overcome fatigue
- An anti-stress nutrient
- Needed for blood formation
- Helps prevent grey hair
- Improves alertness and helps promote mental health

KEY FEATURES

- NewLife™ Nature's Gift Vitamin B Complex with rice bran is a specially prepared formulation which contains a complete spectrum of individual B's that are combined synergistically for optimum benefits.
- Hypo-allergenic and vegetarian.

VITAMIN C 500MG

Vitamin C is a powerful anti-oxidant that is required for at least three hundred metabolic functions in the body, including tissue growth and repair, adrenal gland function and healthy gums. It also helps to detoxify the body, promote friendly bacteria in the gut, neutralise free radicals and prevent cardiovascular disease. Vitamin C is needed for the formation of collagen in the body, making it essential as an anti-ageing supplement.

BENEFITS

- Enhances immunity and protects against cough, colds and infections
- Essential in the metabolism of other vitamins and minerals
- Promotes the healing of wounds
- Essential for healthy joints, skin and gastro-intestines

Vitamin C is a powerful anti-oxidant that is required for at least three hundred metabolic functions in the body, including tissue growth and repair, adrenal gland function and healthy gums. It also helps to detoxify the body, promote friendly bacteria in the gut, neutralise free radicals and prevent cardiovascular disease. Vitamin C is needed for the formation of collagen in the body, making it essential as an anti-aging supplement.

Nature's Gift Vitamin C Complex from NewLife™ also contains bioflavonoids, which are essential for the absorption of Vitamin C. Bioflavonoids act synergistically with Vitamin C to protect and preserve the structure of the capillaries. In addition, bioflavonoids have an antibacterial effect and promote circulation, stimulate bile production, lower cholesterol levels and help to prevent cataracts.

BENEFITS

- Enhances immunity and protects against cough, colds and infections
- Essential in the metabolism of other vitamins and minerals
- Promotes the healing of wounds
- Essential for healthy joints, skin and gastro-intestines
- Increases iron absorption
